Re: MALIBU CHIAT/WILDMAN EASEMENT

Dear Mr. Douglas,

You have received some recent correspondence from our Winding Way Property Owners Association. I just want to reinforce our position to assist in any way possible in your agency's efforts to open the long delayed Malibu Chiate/Wildman easement.

Residents in our community can offer not only historical knowledge but also technical expertise that may be helpful.

We would be very pleased to have an invitation to have local residents join your feasibility consultant on his field review.

Sincerely Yours

Kay Furgurson
