Mr. Aaronson:

Our IT staff will insert the other most recently responsive documents into the website file and as soon as that is completed, I will provide you with the link. That will certainly be before October 15th, the date you asked to copy our documents.

This email confirms that, upon your receipt of the link, you will not send your copying service on October 15th.

Sincerely,

Elena Eger

Dear Ms. Eger

Thank you for responding to our subpoena.

I am happy to access your website to download the documents if you will kindly give me the link.

Also, if there are additional documents you want to email me, that's fine too.

Thanks again

Arthur Aaronson
