RE: Chiate/Wildman Easement

Dear Mr. Sidley:

This letter serves as a follow-up to our telephone conversation this morning regarding your letter of April 1, 1996 to Brenda Douglas. As I mentioned, Brenda Buxton at the Coastal Conservancy is the best person for you to contact regarding the state of the Conservancy's easement acquisition process for the Chiate/Wildman easement. I will also ask Linda Locklin, our Statewide Coordinator, to give you a call to discuss access issues relating to opening and maintaining easements. Linda can also give additional information concerning easements in your client's vicinity. Finally, per your request, I have enclosed the statutes setting out generally the Coastal Conservancy's relationship to acquisition of public access sites. Please be advised that the Conservancy has additional regulations and guidelines that apply.

Should you have further questions, please feel free to call.

Very truly yours,

  
CATHERINE E. CUTLER  
Staff Counsel
