**Las Tunas Beach Acquisition
Sign Plan and Stewardship Plan**

Dear Mr. Schuchat:

Until such time as the State Coastal Conservancy (SCC) and Mountains Recreation and Conservation Authority (MRCA) jointly develop and implement a site improvement plan for the Las Tunas Beach Acquisition parcels, the MRCA will maintain the parcels in safe condition and free of trash. The MRCA will post signage indicating that the MRCA is the owner of the parcels and acquired the property with a grant from SCC. The SCC's logo will be displayed on the sign. The design and placement of the sign are subject to the approval of the Executive Officer of the SCC. The MRCA will also post a sign that the area is closed for restoration.

Sincerely,

A handwritten signature in cursive script that reads 'Laurie Collins'.
