Re: Project Number 12-024-01

Consideration and possible Conservancy authorization to disburse up to \$470,000 to the Mountains Recreation and Conservation Authority ("MRCA") to prepare a Malibu Coastal Access Public Works Plan for specific sites in the City of Malibu, Los Angeles County

Item No.: 10

Date: Thursday, December 6, 2012

Dear Mss. Cardellino and Kemmler:

Please be advised that our office has been retained by property owners along La Costa Beach to represent their interests in the above referenced matter which comes before the State of California Coastal Conservancy ("Coastal Conservancy") as Project Number 12-024-01 at the public meeting on Thursday, December 6th, 2012.

The intention of this correspondence is simply to put the Coastal Conservancy on notice that while our clients are reserving judgment in order to see plans should the Coastal Conservancy authorize the Mountains Recreation and Conservation Authority ("MRCA") to prepare a coastal access works plan, they have numerous concerns regarding the opening of public access along La Costa Beach. As such, please include our office within the interested parties list for the Malibu Coastal Access Public Works Plan.
