RE: Six Rivers to the Sea, Price Creek Easement
Wildlife Conservation Board Grant

Dear Ms. Corbaley:

The proposed grant from the Wildlife Conservation Board for the above-referenced conservation easement is subject to approval by our Board at one of our regularly scheduled public meetings. We hope to have the staff work completed on this grant project in time for our May 25, 2006 Board meeting. Subject to review of the finalized transaction documents, as the staff member assigned to this project, it is my intention to recommend authorization of the grant funds for purchase of the conservation easement.

Should you require any further information on this matter, please email me at bmclark@dfg.ca.gov, or call me at (916) 323-8981.

Sincerely,

A handwritten signature in blue ink that reads 'Bob Clark'.
