

## Exhibit 2: Photographs

Rush Ranch is located on the northern edge of Suisun Marsh.

The Nature and Education Center will be part of the existing development on the ranch.

## Exhibit 2: Photographs

Old ranch equipment and the blacksmith shop remind visitors of past activities at the ranch.

Buildings at Rush Ranch are clustered among the eucalyptus trees and at a distance from the 80-acre managed wetland.

Exhibit 2: Photographs

Michael Muir, great grandson of John Muir, takes ranch visitors with limited mobility on horse-drawn carriage rides.

The Rush Ranch Education Council promotes understanding of the Patwin culture.
