

Photographs of City of Napa Milliken Watershed Lands

Milliken Creek above reservoir in vicinity of where connector trail may cross the creek.

Milliken Creek below reservoir

Potential connector trail using existing dirt road

Site of former environmental education day camp west of reservoir (closed in 1978)

Oak woodland plateau to the west of Milliken Reservoir has potential for easy loop trail.

Proposed Ridge Trail route traverses these hills south of reservoir near ridgeline

Proposed Ridge Trail route traverses hills on left east of reservoir near ridgeline.
Photo taken from potential connector trail northwest of reservoir.
