Re: Proposition 12 funding distribution

Dear Chairman Bosco and members of the Board,

The March 2000 park bond, Proposition 12, allocated funds to undertake projects for the South Coast Wilderness system of coastal canyons and watersheds in south Orange County. As a stakeholder with Laguna Canyon Foundation and the County of Orange we are utilizing these funds to acquire additional land for the regional South Coast Wilderness system of parks and preserves, which includes Laguna Coast Wilderness Park.

We support the conditions to permanently dedicate the acquired land for open space, public access and habitat preservation. We also agree to hold title to the land and lease the acquired land to the County of Orange for management as part of Laguna Coast Wilderness Park. As part of Laguna Coast Wilderness Park, the newly acquired land will be managed for public access and habitat preservation.

Laguna Canyon Foundation has submitted a \$ 172,000 funding request to the Coastal Conservancy for the 10.38-acre SBD property for parkland acquisition. A nominal additional amount is also requested for associated closing costs. We support the acquisition of the SBD property for addition to Laguna Coast Wilderness Park and ask that you approve the funding allocation for this property. Thank you for considering our request.

Sincerely,

A handwritten signature in blue ink that reads "Kenneth Frank".

Re: Proposition 12 funding distribution for the SBD property

Dear Chairman Bosco and members of the Board,

The March 2000 park bond, Proposition 12, allocated funds to undertake projects for the South Coast Wilderness system of coastal canyons and watersheds in south Orange County. As one of the stakeholders we are working to ensure that these funds are used appropriately to acquire additional land for the regional South Coast Wilderness, which includes Laguna Coast Wilderness Park, Aliso and Wood Canyons Wilderness Park, Crystal Cove State Park and preserves in the cities of Irvine, Laguna Beach and Laguna Woods.

We support the conditions to permanently dedicate the proposed acquisition, a 10.38-acre parcel referred to as the SBD property, for public access and habitat preservation. We also agree that the acquired land should be owned by the City of Laguna Beach and leased to the County of Orange for management as part of Laguna Coast Wilderness Park.

We ask that you approve the \$ 172,000 purchase funding allocation and associated closing costs for this property. Thank you for considering our request.

Very truly yours,

Meg Jones

Laguna Canyon Foundation has submitted a funding request to the Coastal Conservancy for acquisition of the 10.38-acre SBD property for parkland. We support this acquisition and ask that you approve the \$ 172,000 funding and associated closing costs for the SBD property.
