Barbara Evoy, Deputy Director  
Division of Financial Assistance  
State Water Resources Control Board  
P.O. Box 944212  
Sacramento, CA 94244

Dear Ms. Evoy:

Pursuant to Chapter 5.5 of Division 21 of the Public Resources Code, relating to watershed restoration projects carried out by the Coastal Conservancy, I am writing to request consultation regarding a project that will be proposed for funding at the Coastal Conservancy's October 21, 2010 meeting. A project synopsis is enclosed for your review.

Please review this project for consistency with the following:

- The State Board's activities under the Clean Beaches Program (Chapter 3 (commencing with Section 30915) of Division 20.4 of the Public Resources Code; and
- Any of the following, if applicable:
  - An Integrated Watershed Management Program
  - An adopted local watershed management plan
  - A water quality control plan adopted by the State Board and applicable Regional Boards

The attached project synopsis includes an assessment by my staff of the consistency of the proposed project with some of these plans.

My staff is available to discuss this project with you or appropriate State or Regional Board staff. Your staff may directly contact the Conservancy's project manager, listed on the synopsis or, if you prefer, please provide a list of staff members you would like us to contact about this project.

If additional written information is needed about the project, a more detailed description and staff recommendation to be presented to the Coastal Conservancy board on October 21, 2010 can be made available to you electronically.

You are also invited to testify on this project to express any concerns or support at the Conservancy's October 21, 2010 meeting. If funding is approved by the Conservancy my staff will continue to be available for consultation during project implementation.

Thank you for your attention.

Sincerely,
