Re: Support for Port of San Francisco to seek Prop 84 funds for funding
the Pier 43 Promenade – Bay Trail Link project

Dear Mr. Hodapp:

The Fisherman's Wharf Community Benefit District believes that public spaces should be designed to increase our city's livability, enhance public life, and improve public and environmental health. Located in the center of a heavily visited area, we believe the Pier 43 Promenade project will accomplish these goals and enhance the public's appreciation of San Francisco Bay.

Our organization strongly supports the Port of San Francisco's Pier 43 Promenade project and their efforts in securing State Prop 84 funding. Thank you for consideration of this proposal.

Sincerely,

Kevin Carroll
Executive Director

Re: Support for Port of San Francisco to seek Prop 84 funds for funding
the Pier 43 Promenade – Bay Trail Link project

Dear Mr. Hodapp:

As a San Francisco urban planner and former Commissioner of the American Institute of Certified Planners (AICP), public spaces should be designed to increase our city's livability, enhance public life, and improve public and environmental health. Located in the center of a heavily visited area, we believe the Pier 43 Promenade project will accomplish these goals and enhance the public's appreciation of San Francisco Bay.

Our organization strongly supports the Port of San Francisco's Pier 43 Promenade project and their efforts in securing State Prop 84 funding. Thank you for consideration of this proposal.

Sincerely,
