Programs and Project Management Division

Subject: Request for non-Federal cost share funding for FY11 project expenditure

Mr. Sam Schuchat, Executive Officer
California State Coastal Conservancy
1330 Broadway, 13th Floor
Oakland, CA 94612-2530

Dear Mr. Schuchat:

In accordance with the terms of the PCA, we are requesting your agency provide non-Federal cost share in the amount of \$1.4 million. This amount reflects a projected FY11 work budget of \$13.3 million with a carry-over from FY10 of \$7.7 million leaving \$5.6 million required. Receipt of these funds will allow us to utilize the \$4.2 million Federal share for the Hamilton Wetland Restoration Project (HWRP).

Your contribution along with the FY11 Federal cost share are planned for the following work items and include:

1. Award of an option year to our current offloading contract to complete material placement on the Hamilton Airfield parcel and provide on-site water management
2. A/E Task Order to design and develop plans and specifications for Hamilton Airfield completion and breach.
3. Award of a contract to initiate planting work on the Hamilton Airfield parcel
4. SLC cleanup planning and PAC costs
5. Engineering/Construction/Management

Please let us know when you will provide your non-Federal cost share of \$1.4M so we can continue this project without interruption.

Please make the payment check payable to the "FAO USACE San Francisco District" and reference the project name "Hamilton Wetlands Restoration Project, CA". The check should be mailed to:
