Mr. Douglas Bosco, Chairman

Dear Chairman Bosco:

We, the undersigned members of the Legislature, are writing you in support of the requests by the Maritime Museum of San Diego and the Ocean Institute in Dana Point for grants totaling \$70,000 for the conduct of the 2011 Tall Ship Festivals which will be held in September 2011 in San Diego, Chula Vista and Dana Point.

We wish to thank the California Coastal Conservancy for its past support of Tall Ship Festivals in 2002, 2005, 2008 and 2010. If not for the generous support of the Coastal Conservancy in the past, these organizations would not have been able to host these high profile events.

The Maritime Museum of San Diego and the Ocean Institute each have hosted a number of such Festivals, and each has done an exemplary job in providing a spectacular venue to showcase these visiting tall ships. These Festivals are unique cultural events that at one time celebrate the maritime heritage of the State of California, provide a unique and memorable experience for visitors to these waterfront areas, and stimulate commerce in the areas where they occur.

These past grants have been a cost efficient way for the California Coastal Conservancy to fulfill part of its mission of attracting Californians to California's coast.

Very truly yours,
