

Exhibit 3: Photographs of Proposed Staging Area and Vista Point

The proposed staging area was previously cleared for use as a loggers' camp prior to becoming protected land. Invasive species cover the 1- acre site.

Mixed evergreen forest will continue to surround the staging area and separate it from Highway 35 which lies 100 feet away and 25 feet lower in elevation.

Exhibit 3: Photographs of Proposed Staging Area and Vista Point

The vista point trail segment will offer forest views of the San Mateo Coast and Pacific Ocean.
