S2	2.1
S3	3.3
S4	8.3
<b>Total</b>	<b>75.0</b>

Note: Preliminary planning area boundaries developed December 2011.

Exhibit 2: Figures and Photos

Sea otter on marsh near the Minhoto site.

View west across the Minhoto and Hester's Marsh to the Minhoto grass buffer.

Seal Bend restoration site S2 from the Moonglow Dairy levee. Trees in the background provide a rookery to herons, egrets and cormorants.

View of the Minhoto M2 restoration site from a remnant berm that will be used to contain added sediment.
