

San Francisco Bay Area Water Trail

A network of access sites for non-motorized small boats around San Francisco Bay

SAN FRANCISCO

WATER
TRAIL

The San Francisco Bay Area Water Trail Program (Water Trail) will support a planned network of access sites that allow people in non-motorized small boats to safely enjoy San Francisco Bay through single and multiple-day trips. Implementation of the Water Trail is guided by the Enhanced San Francisco Bay Area Water Trail Plan. Most of the 112 sites identified in the Water Trail Plan already exist and site designation is voluntary. Both site owners and trail users will benefit through outreach materials that will focus on the facilities and opportunities offered by designated sites, personal and navigational boating safety, and appreciation of Bay resources.

For more information please contact: Ann Buell, State Coastal Conservancy, abuell@scc.ca.gov or Galli Basson, Association of Bay Area Governments, gallib@abag.ca.gov
