

# ANIMAL BIODIVERSITY

**Threatened and Endangered Species**

- Critical Habitat Stream
- Critical Habitat Area

**Rare and Sensitive Fish Species**

- Steelhead Presence
- Coho Salmon Presence
- Important Salmon Recovery Watersheds

**Rare and Sensitive Bird Species**

- Potential Nest Trees
- Marbled Murrelet Presence
- Marbled Murrelet Suitable Habitat

**Rare and Sensitive Reptile & Mammal Species**

- CA Red Legged Frog Presence
- Mtn. Lion Core Habitat

**Rare Species and Natural Communities**

- Animal Occurance
- Terrestrial Community
- Aquatic Community

**Camex Property**

**Hydrology**

- River
- Waterbody

**Boundaries**

- County Line

**Transportation**

- Highways
