

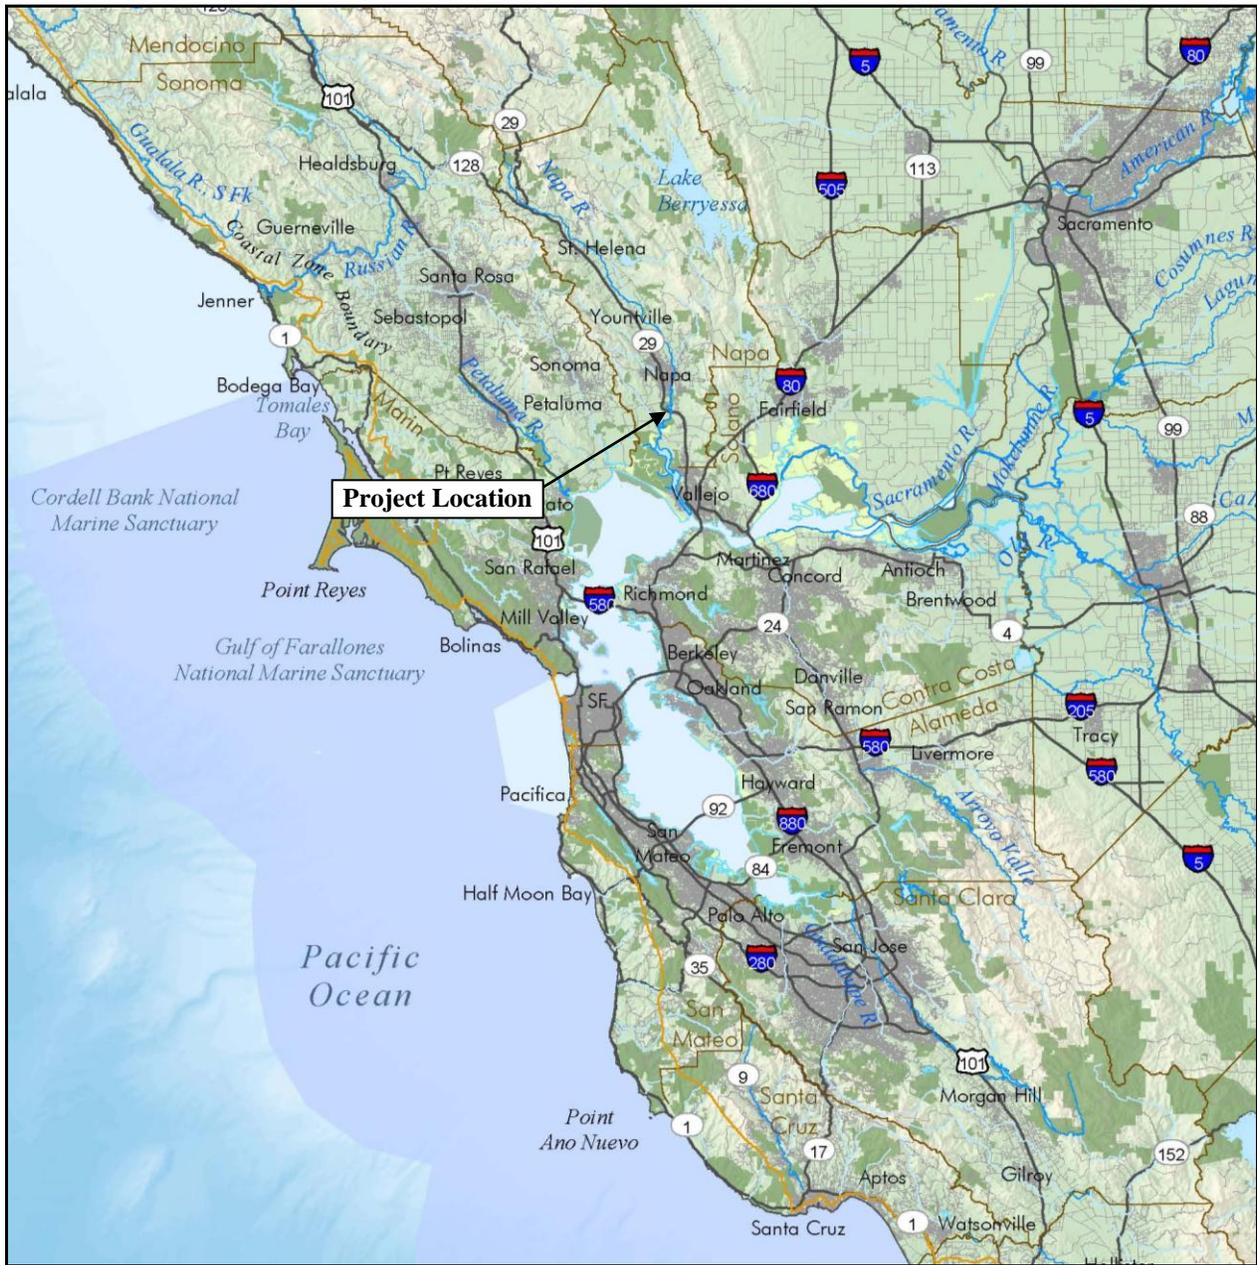

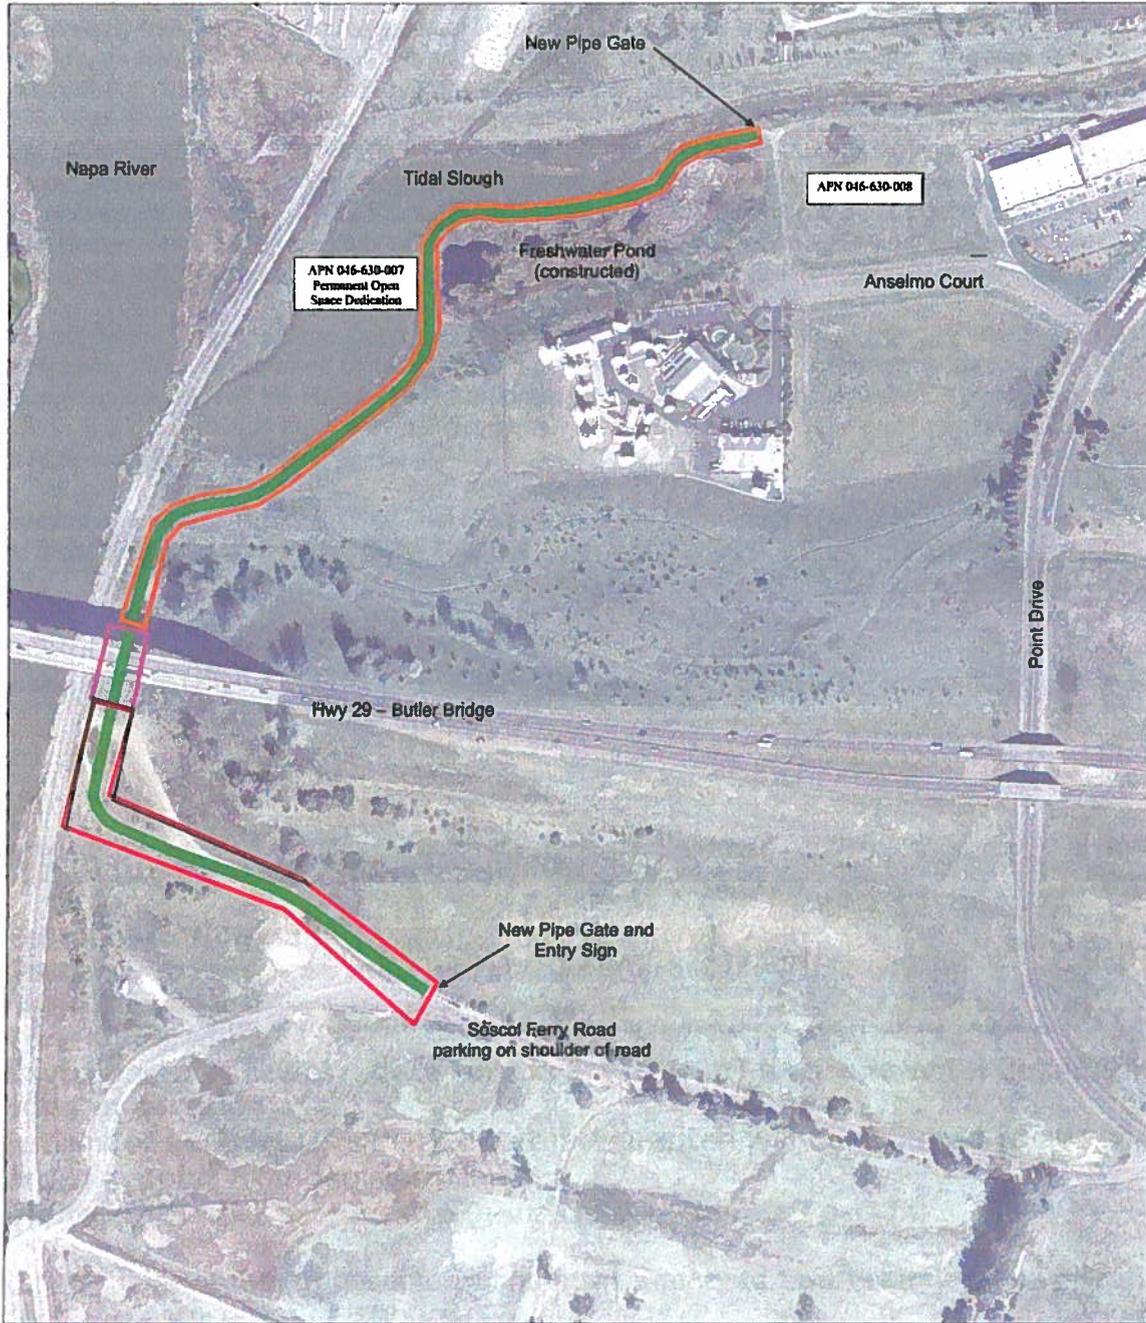

Exhibit 1: Project Location Maps and Photographs

Napa River and Bay Trail Soscol Ferry Road to Anselmo Court Generalized Site Plan Showing Rights-of-Way

Legend

-  Proposed Trail Alignment (approximate)
-  Soscol Ferry Road ROW area
-  Caltrans ROW (encroachment permit area)
-  Napa Valley Corporate Park Easement

0 0.1 0.2 Miles

Exhibit 1: Project Location Maps and Photographs

The red line depicts the proposed trail segment, which is east of the Napa River and the Union Pacific Rail Line, and runs between a tidal lagoon and seasonal wetland.

Exhibit 1: Project Location Maps and Photographs

Looking north (toward Napa) from northern section of proposed trail. The tidal lagoon is on the left side of the photo (to the west). The Napa River itself is out of the photo, farther to the west. (See Site Plan on previous page to understand layout of trail segment.)

Looking south from northern section of proposed trail. The tidal lagoon is pictured here, with the Highway 29 bridge (Butler Bridge) in the distance.

Exhibit 1: Project Location Maps and Photographs

Looking south from the northern terminus of the proposed project. The proposed fencing of wetland areas and pedestrian gate will replace the bollards and chain pictured here.

The southern terminus of the proposed project is pictured here, along Soscol Ferry Road where parking is permitted.

Exhibit 1: Project Location Maps and Photographs

Looking northwest from the southern entry to the trail segment (from Soscol Ferry Road)
