Re: Moonstone Beach Property (APN 513-171-009)
Humboldt County, CA

Dear Chairman Bosco:

This letter is provided to confirm that Green Diamond Resource Company ("Green Diamond"), owner of the above-referenced property, is a willing participant in a proposed real property transaction involving the purchase and sale of a fee interest in said property (the "Sale Property"). Should the California Coastal Conservancy funds be awarded to the grant applicant, the Trinidad Coastal Land Trust, and should those grant funds, either alone or together with other funding, be sufficient to pay an agreed purchase price equivalent to the appraised value for the Sale Property, then Green Diamond, as Seller, is willing to sell the Sale Property subject to the terms of a Purchase and Sale Agreement.

In the event Coastal Conservancy funds are awarded for the aforementioned transaction to the grant applicant, the Trinidad Coastal Land Trust, and should those grant funds, either alone or together with other funding, be insufficient to pay an agreed purchase price equivalent to the appraised value of the Sale Property, Green Diamond hereby requests that the difference between the appraised value of the Sale Property and the agreed purchase price be recognized as a donation by Green Diamond and applied toward the non-federal landowner match, or cost-share, for the Ryan Creek Forest Legacy Project.

Acknowledged:
