MAP 6: PARKER RANCH AQUATIC LINKAGES

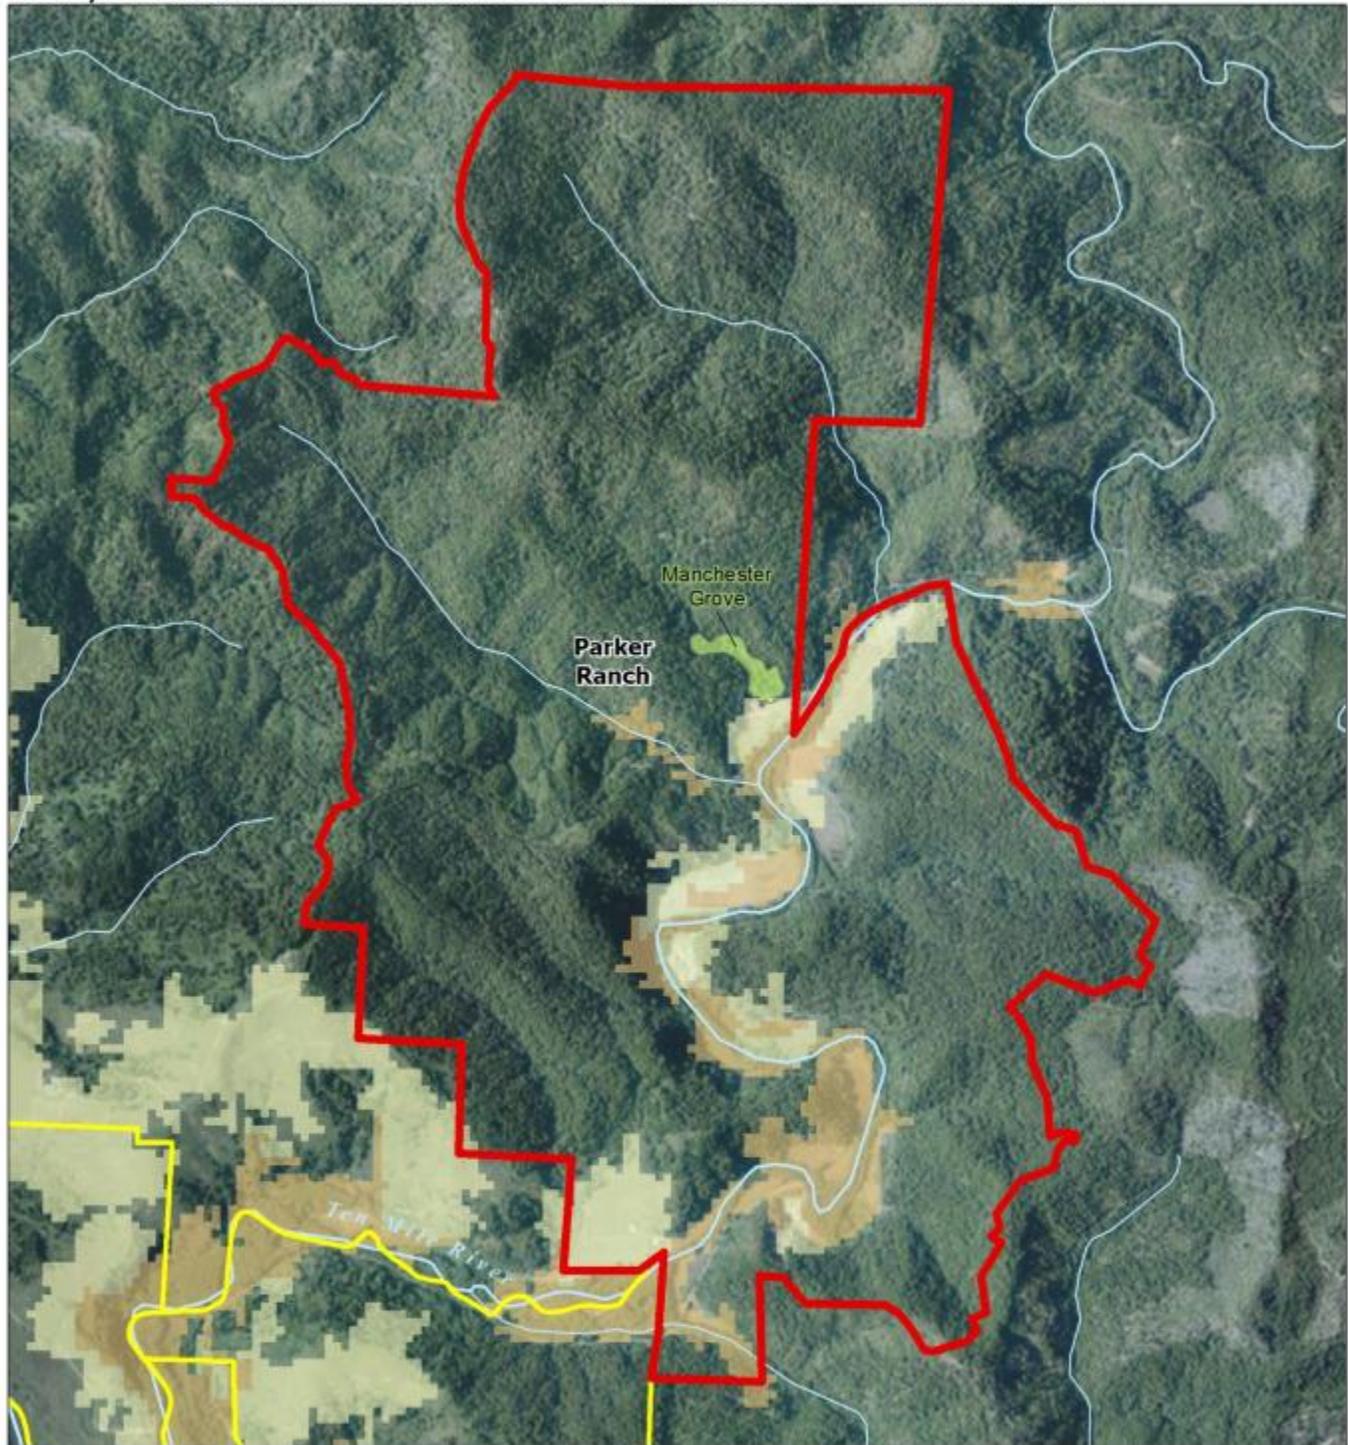

-  Parker Ranch
-  Marine Protected Area Proposals
-  Public and Private Protected Lands
-  Core Coho Priority Areas for Protection / Restoration*

*Data Source: National Marine Fisheries Service. 2012. Final Recovery Plan for Central California Coast coho salmon Evolutionarily Significant Unit. National Marine Fisheries Service, Southwest Region, Santa Rosa, California.

Exhibit 1. Project Location and Site Map

MAP 7: PARKER RANCH UNDER-PROTECTED HABITATS & RANGELANDS

- | | | |
|------------------------|--|---------------------------|
| Parker Ranch | Sensitive Forest Areas | Rangelands |
| Properties of Interest | Old-Growth Redwood Forest | River Terrace Grasslands* |
| | Montane Riparian "Red Alder Riparian Forest" | |

*Note: River Terrace Grasslands will be apportioned among four land use designations: salmonid habitat restoration, traditional non-irrigated hay production, grazing and light agriculture. The final conservation easement will include siting details and limits on the areal extent of each land use category.
