Dear Chairman Bosco:

I am writing in support of the Redwood Parks Association's planned project to obtain and install beach-access wheelchairs and storage sheds.

Humboldt and Del Norte counties are home to some of the most beautiful beaches on the California coast. However, visitors with mobility impairments often have difficulty accessing these areas. Therefore, the Redwood Parks Association is engaged in obtaining six beach-access wheelchairs and storage sheds to be located on public beach areas in Humboldt and Del Norte counties. This equipment will be managed by the California State Parks and Recreation and Redwood National Park to provide mobility-impaired visitors with increased access and a more fulfilling experience to California's redwood parks.

Thank you for your full and fair consideration of this request.

Respectfully,

Dear Chairman Bosco:

I am writing in support of the Redwood Parks Association's planned project to obtain and install beach-access wheelchairs and storage sheds.

I am the owner of an agency in town that provides supports to more than 30 individuals with disabilities. Our goal is to assist them in becoming more independent in as many arenas of life as possible. By providing the resources above, all people, including those with disabilities will have better opportunities to see, learn and explore our amazing local beaches. Some of which could not get the opportunity if it was not for the beach access wheelchairs.
