**Re: Coastal Conservancy Grant Proposal- Point Pinos Coastal Trail, Pacific Grove**

Dear Chairman Bosco:

The City of Pacific Grove, through the Public Works Department, is writing this letter to express our support for the proposed Coastal Conservancy grant of \$250,000 to the City of Pacific Grove to begin implementation of the Point Pinos Coastal Trail Project.

The City of Pacific Grove has developed the Coastal Trail along three of the City's four miles of coastline with trail and parking lot facilities. The Conservancy funding would enable the City to prepare final plans and permit documents needed to complete this remaining segment and also construct improvements at the Great Tide Pool area that has already been designed and permitted.

Elected officials, community leaders and City staff are excited to complete our part of the California Coastal Trail and are committed to providing future funds to construct the Point Pinos improvements once the design and permit phase is completed.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel Gho".
