Re: Funding for Coastal Trail Major Mile Markers

Dear Chair Bosco;

As the City hosting the prototype Coastal Trail Major Mile Marker, I am very pleased to see the item on the agenda that would provide funding for more cities to install the marker. The marker's prominent location in Laguna Beach's Heisler Park allows for many visitors to encounter the marker. We are proud to have been a part of the beginning of this program.

The Coastal Trail is a magnificent undertaking, and will take a lot of people working on it to accomplish the goal of completion. The Coastal Trail Major Mile Marker is a fun and engaging way to raise awareness about the trail.

Sincerely,

A handwritten signature in cursive script that reads "John Pietig".

John Pietig  
City Manager, Laguna Beach
