Oakland, CA 94612

Dear Mr. Bosco:

I am writing on behalf of the Mendocino Land Trust's (MLT) grant request for funding to complete the construction of the Pelican Bluffs Coastal Trail south of Point Arena, and construct additions to the existing Newport Coastal Trail south of Westport.

The Pelican Bluffs trail project includes 2.2 miles of new trail, as well as a parking lot and other public access-related developments. Additions to the existing Newport Trail include 0.25 miles of new trail and a new parking area and a viewing platform.

Mendocino Land Trust is a well-respected organization with a long history of successful public access and land conservation projects throughout Mendocino County. MLT has opened 15 public access easements on the Mendocino Coast, and most recently, collaborated with Save the Redwoods League to complete planning and construction of the Shady Dell/Peter Douglas Trail on the Lost Coast in northwestern Mendocino County.

Thank you for your full and fair consideration of this grant request. If you have any additional questions, please contact staff in my Fort Bragg office at (707) 962-0933 or via email at [heather.gurewitz@mail.house.gov](mailto:heather.gurewitz@mail.house.gov).

Sincerely,

Mr. Doug Boscoe, Chairman  
State Coastal Conservancy  
1330 Broadway, 13<sup>th</sup> Floor  
Oakland, CA 94612

Dear Chairman Boscoe,

I am writing to you in support of the Mendocino Land Trust (MLT)'s grant request to the State Coastal Conservancy for funding to complete construction of the Pelican Bluffs Coastal Trail, south of Point Arena, and additions to the existing Newport Coastal Trail, south of Westport.

The Pelican Bluffs trail project includes 2.2 miles of new trail, as well as a parking lot and other public access-related developments. Additions to the existing Newport Trail include 0.25 miles of new trail and a new parking area and a viewing platform.

Mendocino Land Trust (MLT) is well-qualified to oversee the completion of both projects, as this nonprofit has a long history of successfully completing public access and land conservation projects throughout Mendocino County. MLT was the lead agency on the Mendocino Coastal Conservation Plan, as well as the California Coastal Trail Strategic Plan for Mendocino County. MLT has opened 15 public access easements on the Mendocino Coast, and most recently, collaborated with Save the Redwoods League to complete planning and construction of the Shady Dell/Peter Douglas Trail on the Lost Coast in northwestern Mendocino County.

Thank you for your leadership and partnership in supporting these kinds of important coastal trail projects throughout California and on the Mendocino Coast.

Respectfully,

JIM WOOD
