1. **Grant Application Materials**

Privacy Notice on Collection

In accordance with California Government Code §§ 11015.5 and 10119.9 and the Information Practices Act of 1977 (Civil Code § 1798 et seq.), and as required by the Statewide Information Management Manual (SIMM) 5310-A, the State Coastal Conservancy (the "Conservancy") provides the following notice regarding the collection and use of personal information when completing grant application materials. Personal information may include: name, telephone number, address, and financial information.

The Conservancy collects the personal information you voluntarily provide to carry out its statutory functions and responsibilities to review, approve, and grant funds. The collection and use of your personal information is authorized under Public Resource Code § 31111, which authorizes the Conservancy to award grants to public agencies and nonprofit organizations. Individuals should not provide personal information that is not requested. The personal information you provide may be used to verify your identity, respond to your requests, and process applications and agreements. The Conservancy will not share electronically collected personal information unless required or authorized by law, including with other government agencies. Electronically collected personal information, as defined in Section 11015.5(d) of the Government Code, is exempt from requests made pursuant to the California Public Records Act.

Failure to provide personal information will prevent the Conservancy from reviewing, approving, or granting funds. Individuals have the right to access the personal information provided and correct any inaccuracies, as well as request that such information may be deleted. However, if an individual requests that such information is deleted the Conservancy may not be able to review, approve, or grant funds.
