RE: Conservancy Meeting Schedule for 2022

Set forth below is a proposed schedule for Conservancy meetings in 2022. I recommend that the Conservancy adopt this schedule at its September 23, 2021 meeting.

The proposed schedule avoids conflicts with both the Coastal Commission's and the Tahoe Conservancy's meeting dates. The proposed schedule also takes into account major holidays and maintains a month separation between Conservancy and San Francisco Bay Restoration Authority meetings.

Due to the ongoing Covid-19 pandemic, we do not know if we will meet in person or via teleconference. We have listed both potential regions for the meeting and potential for teleconference for all meetings. As the situation unfolds, we will keep the Conservancy and the public updated about our planned meeting venues.

Proposed Conservancy Meeting Schedule for 2022

January 27	Southern California/Teleconference
March 24	Bay Area/Teleconference
May 05	Sacramento/Teleconference
September 22	North Coast/Teleconference
December 01	Central Coast/Teleconference
