#### Desired Outcomes of Meeting:

- Meeting attendees become (re-)acquainted with one another, and with purpose of sub-committee and its relationship to Water Trail Advisory Committee.
- Key points from "Issues and Recommendations for Improved Accessibility" are clarified and discussed for their merits and usefulness in Water Trail planning and implementation.
- Sub-committee members give feedback on draft accessibility survey and provide suggestions for broad and appropriate dissemination.
- Sub-committee members provide Water Trail staff with guidance regarding what kinds of sites they might like to visit with staff and why.
- Water Trail staff understands how boat storage could help increase access to non-motorized small boat use for persons with disabilities: structural design, location of storage on site, onsite staff assistance, and for which boat types.
